Any other business:

- There won't be any classes on the 5th Sunday.
- The PJ and DM children ministry will be combined.
- Every 4th week there will be an assembly where the children's birthday will be celebrated, as we also feel it is important for the children to gather to know one another and to worship together. During this, the senior class will be given opportunity to conduct the section with the guide of the teachers. On that week there won't be any classes.
- Following the SOP the sanctuary will be sanitized on Saturdays after choir.
- The children will also be sanitizing in the morning as they enter the class and the temperature will be taken, this is to ensure the SOP. Children to wear mask at all times.
- We pray the Lord will lead and guide us as we do His ministry, to reach out the hearts of the children.

In His Service,

Elizabeth
