As outlined in Bishop Dr Dennis Raj's Address last year at 47th TAC Annual Conference, the emphasis for 2023/2024 is on organising and mobilising Growth Groups as primary Care Group within the church. The total church is to be involved in these efforts with overall support and participation of the LCEC.

Philippians 2:4 - "Let each of you look out not only for his own interests,
also the interests of others".

I thank our LORD Jesus Christ for His Grace and Strength upon me to fulfil his ministry set out in this capacity. I thank our Pastor, LCEC and all members for their prayers and support given to the Glory of God.

In His Service,

Moses James
